

Celebrating a Harvest Supper

By: Janice Miller

As the 2017 gardening season is drawing to a close, we celebrated the fruit of our labor with our neighbors in the [NEIGHBORHOOD NAME] neighborhood on October 21st, 2017 at the [COMMUNITY CENTER NAME] community center. This garden is particularly special to us, as we have been able to involve the youth group from the First Baptist Church in its creation.

Particularly Youth Pastor Jason Jefferson has been instrumental in the effort to have the youth group assume ownership of this garden, thereby making sure that it will be carried on for years to come.

We enjoyed a potluck of harvest dishes cooked with vegetables from the garden. A huge success was the pumpkin pie contest, with Micayla Peters taking first price.

The highlight of the night was our veggie bingo, for which several local businesses continue to donate prizes. Thank you for all you do!

Amicably, *Janice*
