

# Taking Stack

Make your  
meetings truly  
democratic!

~~Shanti~~  
~~Chris~~  
~~Zahra~~  
George  
John

All participants have an equal say in the discussion and decision making.

Prevents one person or group from dominating the conversation.

Ensures structure.

## When to use Stack:

The desired meeting outcome is a decision to be made by the entire group, and you need to ensure everybody is heard and invested.
